**Subject: Organization of Training Programmes under CAFT - Inviting Proposals for the Year 2024-25.**

Sir/Madam,

As the HRD initiative, the Council supports the organization of training programmes in different disciplines of agriculture and allied sciences under the on-going scheme of **Centre of Advanced Faculty Training (CAFT)** in ICAR Institutes and State Agricultural Universities (SAUs). There are 40 CAFT centres in different disciplines and in different ICAR Institutes/SAUs. The main objective of the scheme is to provide an in-service opportunity to teachers, research workers and specialists working in ICAR Institutes/SAUs and to update their knowledge and skills in order to keep abreast with the latest developments in the specialized/emerging areas of agricultural and allied sciences.

Proposals are invited from CAFT centres for training programmes on focused thematic topics of interdisciplinary nature within the broad disciplinary framework of CAFT. Proposals for training may be of 21 days or 10 days. Details can be seen in the Guidelines for CAFT given at the homepage of the CBP Vortal. Proposals may be submitted online through CBP Vortal of ICAR accessible at <http://cbp.icar.gov.in>. To submit proposals, follow the guidelines for CAFT. The last date of submitting the proposal online is **April 30, 2024**. CBP Vortal will be open for proposal submission from April 3 to April 30, 2024.

Further, applicants need to download signed and approved copy of proposal submitted online on the CBP Vortal for any future communication. It may be noted that a proposal shall have one Course Coordinator and maximum of two Co-Coordinators.

Please ensure that the statement of expenditure/Audit Utilization Certificate (12a Format) must be submitted to the ICAR immediately after the closure of the current financial year i.e. 2024-25 through CBP Vortal.

Yours faithfully
